- Update saved cart entry information without storing current cart (e.g. change name, note, or sort order)
- Select this cart
- Preview saved cart
- Delete this entry

Data fields:
- Cart name
- Cart note
- this cart entry products sum
- this cart entry total amount

FAQ

How can I access the cartsaver views in frontend?

To access the cartsave plugin please create e.g. a menu item "cartsaver" type *external URL*. Use
../index.php?option=com_virtuemart&view=cartsaver

Where do I find the views for custom layout adjustments?
License owners are allowed to adjust the views in \plugins\vmextended\istraxx_cartsaver\tmpl

How do I change sort order of cart items?
Change sort order of your cart products per drag and drop - there is a drag button in the cart view, beside the update product quantitiy elements.
